

cetus solutions scoop two salford business awards

In their second year, the Salford Business Awards aim to celebrate the successes of the City's businesses and give them the recognition they deserve.

At this year's ceremony Cetus Solutions were finalists in 4 out of the 8 categories of awards and on the night won the **Entrepreneur Award** and also walked away with the runner up award for **Business of the Year**.

Mike English, Managing Director of Cetus said: 'It gave me great honour to receive these awards as acknowledgement of the fantastic team we have here at Cetus. Every ship needs a captain but it's the loyalty and commitment of the team that has taken us to where we are today. I am delighted to be able to deliver the recognition we have achieved back to the team at Cetus'.

'We will continue to realise our vision to deliver quality and knowledge to our customers and focus our experience and innovation in providing proven solutions to assist them in overcoming their business and IT challenges.'
